

FOUR EASY STEPS

Get Sodium on your phone.

Use the private invite Cyrus sends you. Sign in once and you're set.

1 OPEN YOUR INVITE

Tap Enter the community.

2 SIGN IN ONCE

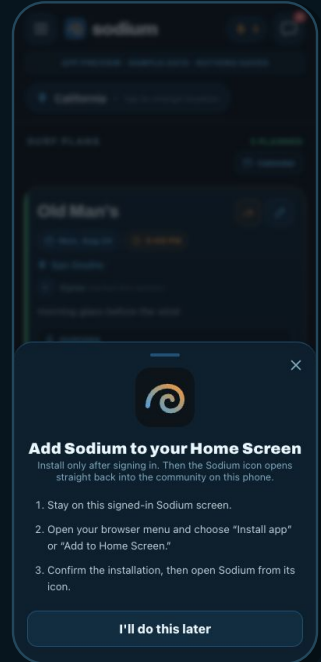

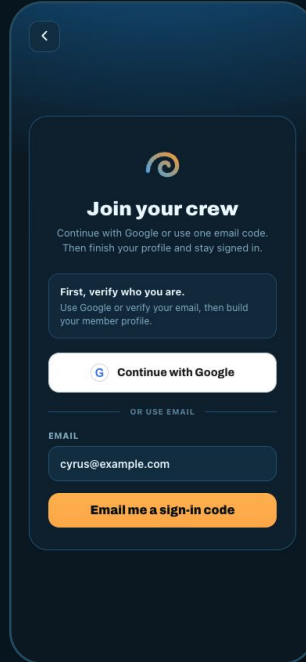

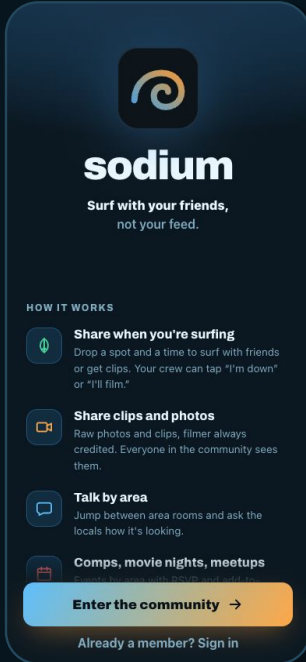

Google is easiest.
Email works too.

3 FINISH YOUR PROFILE

Add a photo, name, and home location.

4 ADD IT TO HOME SCREEN

In Safari, tap Share.
Then Add to Home Screen.

You're done.

Sodium stays signed in on this phone. Open it from your Home Screen like any app.

STUCK? TEXT CYRUS. HE'LL WALK YOU THROUGH IT.
