

NO INSTAGRAM. NO LOST LINKS.

Your clips, one clean handoff.

The files stay in Drive, Dropbox, iCloud, or any HTTPS folder.

CLIP DELIVERY
Send clips
Share the folder now. Sodium keeps the handoff organized while it fills up.

SEND TO
Not on Sodium yet...

THEIR FIRST NAME
Steve

They will receive an invite that opens this delivery after signup.

CLIPS OF
Heston

The surfer in the footage. Separate multiple first names with commas.

RELATED SESSION optional
No linked session

LINK TO CLIPS
<https://drive.google.com/...>

Any HTTPS folder link works. Automatic provider tracking can be connected later.

TOTAL CLIPS 1 **UPLOADED SO FAR** 0

1

THE FILMER STARTS A DELIVERY

They add who receives it, who is in the footage, the folder link, and clip count.

2

WATCH IT FILL UP

Sodium shows 0 of 23, 12 of 23, then Clips ready. It auto-finishes after 24 hours.

3

MEMBER OR GUEST - BOTH WORK

Join Sodium for an inbox, or open a private delivery-only link with no account.

4

REPLY INSIDE THE DELIVERY

Ask about a missing wave or confirm the folder. The thread stays attached to those clips.
