OPEN YOUR CLIPS

1

TAP THE PRIVATE LINK

It opens this one Sodium delivery—not the community or anyone else's clips.

2

OPEN THE FOLDER

Tap Open your clips. Drive, Dropbox, iCloud, or the shared folder opens next.

3

NO ACCOUNT NEEDED

Guests can get the files immediately. There is no signup wall and no delivery chat.

4

JOIN ONLY IF YOU WANT

Members save the delivery in Sodium. Guests can ignore the optional Join button.

Clip totals may include waves, B-roll, wipeouts, and other footage—not only makes.
