

PLAN IT. JOIN IT. FILM IT.

Get the crew in the water.

One shared plan replaces another messy group text.

1

POST OR FORWARD THE SURF

Add the spot and time - or send a planning invite to the friend who started it.

2

JOIN TO SURF OR FILM

Surfers tap Join surf. If clips are wanted, a filmer can tap I can film.

3

START, STOP, OR SHARE

Play starts the surf, Stop finishes it, and Share sends the exact plan to a friend.

4

CREDIT THE REAL INITIATOR

If Cyrus enters it for you, claim it after joining Sodium and keep the organizer credit.
